# Action

To:

SFMD Fire Board

From:

SFMD Administration

Date:

July 17, 2019

Title:

Purchase of a new Battalion Chief vehicle

**Recommended Action:** 

Utilize Capital Fund to cover \$34,485 and then \$2615 out of the

Apparatus program FY20 account.

**Action Summary:** 

Contract with Terry Marxen Chevrolet Cadillac for the purchase of a

2019 Chevy Tahoe under the state contract rate

Financial Impacts:

Total cost is \$37,100

Relation to Goals:

Improves the Capital resources of the District

**Key Considerations:** 

The current Dodge BC truck is being utilized as the medic call out unit to bring in additional wildfire revenue funding. The Dodge truck is better suited for pulling the ATV and trailer for medic callout opportunities along with other federal type assignments. We are currently borrowing the City of Flagstaff's back up BC Tahoe for use as Battalion 30 to have a dependable response vehicle. Without this purchase our ability to continue making additional revenue through wildfire callouts as a medic unit team would be lost or we would be

dependent on the City to support our daily operations.

Additional Info:

Summit has recently sold off several very old, high mile vehicles through public auction that were no longer emergency response dependable. In doing so, the funds from those sales are being utilized plus additional funding to get a dependable Battalion Chief response vehicle. This keeps with our updated apparatus replacement plan and maintains the current Ram truck into a revenue generating vehicle and

back up BC vehicle when needed.
